

## FLH100T-PS-A8

Mind O≠0, I≠I≠1, S≠5, B≠8.

|                             |                              |
|-----------------------------|------------------------------|
| Supply voltage              | 10...35 V <sub>DC</sub>      |
| Reverse polarity protection | built-in                     |
| Current consumption         | <40 mA                       |
| Current load capability     | 200 mA                       |
| Output function             | — ↔ —                        |
| Output polarity             | PNP                          |
| IO-Link                     | protocol 1.1                 |
| Evaluation principle        | static                       |
| Resolution                  | 0.2 mm                       |
| Switching frequency         | 5000 Hz                      |
| Repeatability               | 0.01 mm                      |
| Sensitivity adjustment      | Teach-in button              |
| Impulse lengthening         | 20 ms                        |
| Short circuit protection    | built-in, self-resetting     |
| Voltage drop                | <1.2 V @ 200 mA              |
| Operating temperature       | −10...+45 °C · +15...+114 °F |
| Ambient light immunity      | >100 klx                     |
| IP code                     | IP67                         |
| Insulation voltage          | 500 V                        |
| Light source                | laser red λ=630 nm           |
| Laser class                 | 1 (EN 60825-1)               |
| Housing material            | zinc die-cast, powder-coated |
| Switching indicator         | LED yellow                   |
| Connection                  | connector M8 Pico            |
| Power-on delay              | <0.4 s                       |
| Serial mounting             | —                            |
| Weight                      | 112 g · 4 oz.                |
| Tariff code                 | 85365019                     |
| Complies with               | CE, RoHS                     |

## Fork Light Barrier High Resolution *laser red · 100 mm fork opening*

**Warranty** Our products are manufactured to stringent ISO 9001 European standards to ensure that our customers only receive the best quality.
